## MORALE OF CREWS:

Crews continue to do well, and morale is high. This was our last work shift. Everyone had a great day and are looking forward to heading home

## INJURIES:

No significant injuries to report.

## MESSAGES:

All crews reported back to ICP where they will spend their last night, with the exception of C72. They remained in the spike camp, but will report to ICP in the morning to demob. The module will demo starting at 0800 tomorrow and will drive to Boise for RON. Elmer plans to meet with all the crew bosses tomorrow at 0630 to make sure everyone is clear on demob and return transportation.
